

## **Product Specialist**

**BellaPelle Skin Studio** [www.bellapelle.com](http://www.bellapelle.com), a swanky and chic skin care studio is looking for an esthetician, licensed preferred, or current students, to join our team as a Product Specialist. We are looking for someone who would take pleasure in working long side an exciting and innovative team. The ideal addition to our staff **must** thrive in a fast-paced, ever changing and progressive environment. This individual must be able to work independently as well as collaborate with the rest of the staff to get the job done! Must be self-confident, professional and be capable of expressing ideas and solutions to better the business.

### **Key Responsibilities include but not limited to:**

- Maintain a working knowledge of all services and products offered by the studio
- Recommend and consult our skin care products to existing and new clientele
- Customize studio skin care packages
- Maintain client records and pertinent information
- Consistently offer the highest level of personalized client service while maintaining an enthusiastic and helpful attitude
- Generate correspondence for marketing & promotional events
- Assist with special projects, events and promotions as needed
- Attend all meetings and training sessions as required

### **Client Care**

- Respond to client's concerns, suggestions and challenges in a timely and professional manner
- Demonstrate awareness of the importance of client sales and retention
- Represent the Studio with a positive and healthy attitude
- Demonstrate the values presented in the BellaPelle Employee Handbook
- Demonstrate understanding of all points outlined in the Studio's Client Service Standards

Experience with working in skin care/medical industry is a plus!
